

## Volvo Trucks Academy: Official Program Announcement

### New On-Site Fleet Training

#### Bring OEM-Certified Training Directly to Your Shop

Starting **March 1, 2026**, Volvo Trucks Academy is launching a new On-Site Fleet Training offering — bringing factory-backed, OEM-certified technical training right into your own maintenance facility, on your own vehicles and tools.

#### KEY BENEFITS

- **Lower Total Training Cost**
- **Less Downtime** — Technicians stay close to operations and train on your Volvo trucks (US17 or newer).
- **Factory-Trained Instructors** — Volvo-employed trainers delivering OEM content, fully aligned with Volvo standards.
- **Customized Curriculum** — Mutually agreed-upon content matched to your vehicle mix, model years, and specific shop needs.
- **Enhanced Safety** — Training emphasizes safe procedures for heavy equipment, high-pressure systems, and high-voltage components.
